PROFILE

High school senior and self-started entrepreneur who founded a web development business, taught coding to students, and maintained a 4.0 GPA — all simultaneously. Currently completing 8 dual-enrollment college courses through FTCC while serving as Secretary of the National Technical Honor Society and competing on the varsity tennis team. Entering Mechanical Engineering with four years of hands-on systems thinking, client-facing delivery, and technical instruction already behind me.

HONORS & AWARDS

- **National Technical Honor Society** — Secretary (3+ years)
- **National Honor Society** — Member
- **Future Business Leaders of America (FBLA)** — Member
- 4.0 Weighted GPA & A-B Honor Roll — all of high school
- Class Rank: **51 of 342**
- Completed 2 online business courses

ENTREPRENEURIAL EXPERIENCE

Founder & Web Developer
June 2025 – Present

WisdomLayers | *Online Web Development Business*

- Founded and operate an independent web development business serving small businesses and community organizations in Fayetteville unable to afford design agencies
- Manage full project lifecycle — client discovery, scoping, design, development, deployment, and ongoing maintenance
- Build mobile-responsive websites using HTML, CSS, and JavaScript with a focus on usability and performance
- Handle all business operations: proposals, invoicing, client communication, and pipeline management — while maintaining a 4.0 GPA and full extracurricular schedule

WORK EXPERIENCE

Camp Instructor & Team Leader
Summer 2024

Code Forward | *Summer Tech Camp, Fayetteville, NC*

- Designed and delivered coding curriculum to rising 9th graders with no prior programming experience
- Taught HTML & CSS by anchoring projects to students' real interests (personal portfolios, interest pages), dramatically improving engagement and retention
- Led hands-on activities, supervised technical projects, and mentored students through debugging in real time

LEADERSHIP & COMMUNITY EXPERIENCE

Secretary
2022 – Present

National Technical Honor Society (NTHS) | *Pine Forest Chapter*

- Serve as organizational backbone — manage meeting agendas, record minutes, and track action items so decisions convert to outcomes
- Mediate officer disagreements by drafting bridging proposals; handle member engagement through one-on-one outreach rather than whole-group escalations

Program Participant
June 2023 – Present

Upward Bound / TRIO | *UNC Fayetteville State University, Dept. of Education*

- Complete advanced college-preparatory curriculum emphasizing STEM fields, entrepreneurship, and leadership development
- Conducted multi-campus college tours, interviewed admissions counselors, and developed post-secondary plans

Library Volunteer
Aug 2023 – Dec 2023

North Regional Public Library | *Fayetteville, NC · 50+ Hours*

- Cataloged media inventory and assisted visitors with resource navigation and technology support on a weekly basis

Childcare Volunteer
2020 – Present

St. Matthews Church | *Fayetteville, NC*

- Lead children's activities, supervise play, and support early faith development during services

PROGRAMS & CAMPS

Emory University — Coding & AI Academy
June 2022 · Built autonomous driving algorithms; used sensor suites & computer vision

Campbell University — Academy for Emerging Scholars
June 2023 · Microbiology lab, rocket design, VR coding exposure

Spark Labs District C
30+ hrs solving real-world business problems; team collaboration in virtual environments

Upward Bound / TRIO (Dept. of Education)
2023 – Present · STEM, entrepreneurship & college-prep curriculum at Fayetteville State

ADDITIONAL ACTIVITIES

- **Varsity Men's Tennis** — Pine Forest HS
- **Fayetteville School of Music** — Piano, 4+ years; bi-annual recitals
- **Ninjutsu Martial Arts** — Brown Belt
- **Boxing** — 1+ year training
- **Student Voices** — School culture & environment advocacy club
